

## **TERMS OF USE**

Mais Networks will provide its products and services to the customer under the following terms and conditions. The terms of use form an agreement between Mais Networks and the customer and are designed to protect the integrity and responsibility of Mais Networks and the customer. These terms can be changed at any time.

Customer understands and agrees that; any product or service is provided on a real basis and that Mais Networks assumes no responsibility for timeliness, exclusion, incorrect delivery or failure to store any communications settings or customer personalization.

### **Illegal/Prohibited Use**

You must not use the Mais Networks website for any purpose that is unlawful, abusive, libelous, threatening or for the transmission of any virus or any other computer code, files or programs that are designed or capable of interrupting, damaging, destroying, computer hardware or software or interfere in any way with the normal operations of the Mais Networks website.

You acknowledge and agree that the Mais Networks website may contain links to sites operated by third parties ("Third Party Sites"). You also acknowledge that these links are for your convenience only and Mais Networks does not endorse, nor does it intend to control, monitor or verify the content of third party sites. Mais Networks will not be responsible for the content of third-party sites or for any loss, damage or injury suffered by you from your use of a third-party site.

### **Intellectual property**

You acknowledge and agree that all copyright, database rights and any other intellectual property rights that subsist in the design, layout, processes, functions, data and content of the Mais Networks website are the property of its owners.

### **Other Terms and Conditions**

Customer agrees that certain products and services may have their own terms and conditions, subscriber agreements or similar and, upon purchase, request or use, the customer agrees to these terms and conditions, contracts or similar.
